# PRESS RELEASE

## Internal Medicine Associates of Auburn Earns Outstanding Rating in 2022

*2022 Performance Rating is Top-Tier among Primary Care Groups in the Upstate New York Market.*

**Auburn (NY) May 1, 2023:** Internal Medicine Associates of Auburn, located at 77 Nelson Street, has placed in the top-tier for excellence out of Primary Care Groups in the Upstate New York Market in 2022. Through participation with the UHC MA-PCPI and MCAIP performance programs, the practice is focused on patient and provider collaboration, patient engagement, preventive medicine, early disease management and chronic disease management. The practice achieved a near perfect performance score of 4.64 out of a possible 5.0 Star Rating in 2022, based on the Centers for Medicare and Medicaid Services Five-Star quality rating system.

“We are honored to earn this outstanding recognition for the 2022 performance year. The achievement is a direct result of a determined and systematic approach toward managing our patient population. The process is an “all in” team commitment at the practice level, as well as thoughtful collaboration with our patients. Additionally, we value shared communication within our medical community as we all strive to improve the health of our mutual patients.”

Serving the Auburn community since 1975, Internal Medicine Associates of Auburn includes four medical doctors board certified in internal medicine, five nurse practitioners certified in adult or family medicine and thirty-six support staff. The practice serves over 12,000 patients from Auburn (NY) and the surrounding areas and is accepting new patients.
